This Agreement, effective as of the first day of July 1, 2014, by and between the Town of Maynard, hereinafter referred to as the “Town” and NEBPA Local 54 & Local 55 hereinafter called the “Union” is designed to maintain and promote a harmonious relationship between the Town and its employees of the Maynard Police Department who are within the provisions of this agreement, in order that more efficient and progressive public services may be rendered. All sections and articles in this contract are applicable to all Union members unless stipulated otherwise.

ARTICLE 1 - RECOGNITION

The Town hereby recognizes the Union to be the exclusive representative of those employees of the Town comprising NEBPA Local 54 & Local 55 of the Certification of Representatives by the Commonwealth of Massachusetts Labor Relations Commission for the purpose of collective bargaining with respect to wages, hours and conditions of employment.

ARTICLE 2 - MANAGEMENT RIGHTS

Management rights rest solely and exclusively with the Municipal Employer. Nothing in this Agreement shall be interpreted as diminishing the right of the employer to determine and prescribe the methods and means by which its operation of the Police Department shall be conducted except as may otherwise be specifically spelled out in this agreement. Any portion of this Agreement found to be in conflict with any laws or ordinances shall be declared null and void; however, all remaining portions of the Agreement shall remain in effect.

ARTICLE 3 - UNION RIGHTS AND ACTIVITY

Section 1: The Union shall inform the Town, in writing, of the appointment or election of any Union Officers or Representatives as soon as possible after such appointment and/or election.

Section 2: Union Officers or Representatives for the purpose of this Agreement are as follows: President, Vice-President, Secretary, Treasurer, and one (1) day steward and three (3) night stewards, all of whom are members of the bargaining unit.

Section 3: The Union contract negotiating team, not exceeding three (3) members, after first giving their immediate supervisor at least 48 hours notice, shall be excused by said supervisor, without compensation, from regularly assigned duties for periods not to exceed one full work shift for the purpose of meeting with representatives of the Town pursuant to scheduled contract negotiations.

Section 4: For the purpose of presenting and discussing an employee grievance with a representative of the Town, the involved employee and one Union appointed representative shall be permitted a reasonable period of time off from regular duties without loss of pay. All such discussions shall be in accordance with the grievance procedure, described herein. The time and place of all grievance discussions shall be designated by the Town.

The Town shall not be required to meet with more than one aggrieved employee at a time although it may elect to do so.

ARTICLE 4 - DUES DEDUCTION

The Town agrees to deduct such dues as are determined by the Union and remit same with an alphabetical list of members from whom dues have been deducted to:

NEPBA
227 Chelmsford Street # C
Chelmsford, MA 01824-2305

The deduction shall be made bi-weekly by the Town upon the timely presentation of withholding authorization forms signed by the respective officer and containing therein a written provision for the procedure by which an officer's authorization may be canceled and containing the precise monetary amount authorized to be deducted. The form is subject to approval of the Town.

ARTICLE 5 - SENIORITY

Section 1: Department seniority within the Maynard Police Department shall commence from the date of full-time employment with the Maynard Police Department and shall be used in the contract wherever the word seniority is used. If more than one appointment is made at the same time, seniority shall be determined by the order of appointment and the starting dates shall accordingly be separated by one day.

Section 2: Seniority, shall not be broken by vacation time, sick time, injury time, temporary layoff, suspension, or authorized leave of absence, or any call to Military Service for the duration.

Section 3: Seniority is determined as described in Section 1. A copy of this list shall be submitted to the Union upon request and shall be posted in a prominent place.

Section 4: All specialized positions, such as Student Resource Officer, Photographer, Safety Officer, Investigator, Special Services Officer, Prosecutor, etc., which become available shall be posted at least one week in advance of new appointments so as to allow members of the Department to apply. All applicants shall be given fair consideration for such positions, and all full time police officers may apply for the said opening. However, the assignment to the opening will be in the sole discretion of the Chief of Police, provided, however, that if the officer with more Department seniority is not granted the opening, he will be given a reason why by the Chief of Police if requested.

Section 5: Should an opening occur on a shift, other than for a specialized position, a notice shall be posted for seven (7) days to the effect on the bulletin board. Any officer wishing to apply for the opening shall sign his name to the notice. At the end of the seven (7) day period, the employee signing the notice who has the greatest amount of Department seniority shall be appointed provided he is qualified and has the ability to perform the duties required. Failure to sign the notice within the seven (7) day period will waive any rights to the opening that a man with more Department seniority may have at that time.

His rights for the opening will remain waived until either another opening occurs or new work hours for the department are established. If the officer with more Department seniority is not granted the opening, he will be given a reason why by the Chief of Police, if requested.

Section 6: In the event the Town decides to reduce its established permanent Police Force, the employee with the least Civil Service Seniority or department seniority (Full-time) after July 1, 2014 shall be laid off first and so on. No new employee shall be hired by the Town until all laid off employees have been given the opportunity to return to work.

Section 7: The position of Prosecutor may be filled by a person in Local 54. If the Sergeant holding the position of Prosecutor relinquishes that position and returns to the regular duties of sergeant, the patrolman who was promoted in order to fill the prosecuting sergeant's regular position will have a right of first refusal at filling the position, if he is deemed qualified under Article 5, Section 4, of the Agreement. If that patrolman declines to accept the position of Prosecutor, or if he is not deemed qualified, then the patrolman will be given the first opportunity to fill the position of Sergeant should the position of Prosecutor be filled by a person from Local 54 provided that the patrolman is eligible to be promoted to the permanent position of Sergeant.

ARTICLE 6 - HOLIDAYS

Officers will receive a "day's pay", equivalent to 1/10 of their bi-weekly pay for each of the eleven holidays recognized by the Town of Maynard. This extra pay will be included in the payroll in which the holiday falls. Officers may choose to work up to eleven (11) holidays a year and receive an 'in lieu of' shift off (8 hours) in return. The 'in lieu of' shift cannot be taken before the chosen holiday. Officers who work a scheduled holiday shift will be paid an additional four hours for the shift. In addition, officers who work on Christmas Eve and New Year's Eve (evening shift only) will receive time and a half pay for the shift.

The Town recognizes the following holidays:

New Year's Day, Martin Luther King Day, President's Day, Patriot's Day, Memorial Day, Independence Day, Labor Day, Columbus Day, Veteran's Day, Thanksgiving Day, and Christmas Day. The day before Thanksgiving, Christmas Eve and New Year's Eve will be 'subject to fill' days.

The Special Services Officer, Prosecutor, Student Resource Officer and Detective will have regular holidays off.

The Lieutenant shall have regular holidays off except when they fall on a regular shift where no regular ranking officer is assigned or when directed to perform police duties by the Chief.

ARTICLE 7 - HOURS OF WORK

Section 1: The Town will establish a schedule of duty that provides essentially for four tours of duty followed by two tours of off duty, in accordance with a precise schedule furnished by the Chief of Police, commonly known as the "Four & Two" schedule.

Each tour of duty will consist of approximately 8 ½ hours at straight time with a ½ hour overlap between the oncoming and outgoing tours. This ½ hour is (15) minutes before and after the hour (i.e. The 7am-3pm shift runs from 6:45am-3:15pm etc...) It is understood that this overlap is intended to cover roll call and other informational exchanges between the oncoming and outgoing tours. Once roll call has been completed by the oncoming tour, the Supervisor of said oncoming tour shall release the outgoing tour, unless there is a need for the outgoing tour to remain, said need shall be at the sole discretion of the oncoming Supervisor. It is understood by the Parties that no overtime period will begin until after the full 8 ½ hour shift is complete.

While the number of hours worked in a week will sometimes exceed 40 hours and will sometimes be less than 40 hours, the schedule will be so arranged that over a 6-week cycle, the work for each employee will average approximately 40 hours.

Overtime pay will be based on an hourly rate computed by dividing the annual salary by 52.2 and dividing the result by 40. An officer working an overtime shift will be paid on the basis of 8 hours, not 8½ hours.

An officer's daily rate for a paid absence is calculated by dividing the officer's annual salary by 52.2 (weeks) and then dividing the result by five.

It is the clear intent of both parties that the "4 and 2" schedule will not result in additional cost to the Town through overtime or added personnel or in a reduction in service to the Town of any consequence. If this intent is not met, the schedule may be discontinued at the option of the Chief of Police and the Board of Selectmen.

Any Town ordinance or Federal or State Law which may subsequently require overtime pay for time worked in excess of 8 hours in a day or 40 hours in a week may, at the option of the Board of Selectmen, nullify the "4 and 2" schedule and return the department to the "5 and 2" schedule.

Section 2: Changes in work schedules after the designated shift bids mentioned in this Article, shall only be allowed by agreement between the Town and by all possible affected Union members. Said changes will only be allowed where all parties are in agreement. It is understood that the situations deemed by the Board of Selectmen in their capacity as Commissioners, or the Chief of Police, to be an emergency, shall be an exception to such a practice.

Section 3: Department Seniority shall be one of the considerations given by the Chief or officer in charge of making any permanent (in excess of one month) changes of shift assignments involving a Police Officer.

Section 4: No Officer shall be required to work more than sixteen (16) consecutive hours without a period of eight (8) consecutive hours off, except in an emergency.

Section 5: The Lieutenant, Prosecutor, Detective, Special Services Officer, and School Resource Officer will work a “5 and 2” schedule as assigned by the Chief.

Section 6: Declaration of Shift Preference.

In April of each year, all members of the bargaining units, excluding specialists, shall submit a preference to the Chief for the following fiscal year in accordance with the following:

- A. Each employee of the bargaining unit shall submit a bid, expressing his or her preferences for shift assignment.
- B. Such employee shall denote his first, second and third choices for shift assignment. The shift choices open for bidding shall be: 7a-3p shift, 3p-11p shift, 5p-1a shift, 11p-7a shift, and the split shifts 11p-7a and 3p-11p and shall not be for job assignments and/or duties. This provision is conditional upon the Chief’s satisfaction that officers are on time for shifts as assigned. (Note: the swing shift (D5) to be agreed upon between the Union and the Chief). Swing shift as of June 28, 2009, is 5p-1a and 7a-3p.
- C. Employees shall be assigned to shifts by seniority in accordance with the order of their highest shift preference, unless such preference for any employee is proven detrimental to the efficient operation of the Department. If the Chief denies an employee his shift preference he shall provide the employee a detailed written explanation of the reasons that his assignment to his preferred shift would be detrimental to the efficient operation of the Department.
- D. All Sergeant’s shifts will be permanent in the Contract under Article 7, Section 6B (Split shifts for all night Supervisors).

On July 1, of every year an overtime list shall be established. Said list shall be aligned by department seniority, with the most senior officers listed first and then following in descending order.

Each officer will have three picks of overtime shifts and then will be placed at the bottom of the list. Officers shall be offered station overtime shifts in this order with the shift going to the officer listed highest on the list who wants to work said shift.

b. Two separate lists, so called (order-in-lists) shall be maintained at the Police Station under the supervision of the Police Chief or his designate. On July 1, of every year an order-in lists shall be established for shifts; (1) shifts of six hours or more, and (2) less than six hours. If no officer agrees to work an overtime shift, that shift will be designated for the relevant order in list. Said list shall be aligned by department seniority, with the least senior officers listed first and then following in ascending order. The available officer with the lowest amount of order-ins shall be ordered in for the unfilled shift first.

However, should two officers have the same amount of order-ins, then the officer with the least amount of department seniority shall be ordered in.

c. When an officer becomes sick or injured while working a shift, and therefore goes home, it shall then become the discretion of the Chief, or his designate whether such shift shall be filled for any remaining time.

d. No officer can be ordered-in while on a vacation day. Further an officer shall not be subject to duty for sixteen (16) hours previous to and sixteen (16) hours subsequent to the calendar date of their vacation day. When an officer takes at least four (4) consecutively scheduled shifts off using vacation days, personal days, in lieu of days, or swaps, or any combination thereof, he/she shall not be subject to duty from the end of his/her last scheduled shift before his first vacation day, until after he works a shift subsequent to his minimum four (4) consecutive days off.

e. All officers will have six (6) weekends or twelve (12) days or combination thereof per fiscal year that they can reserve and not be ordered in for said weekend. For purposes of this section a weekend shall consist of the time from the officer's last scheduled shift to his first scheduled shift back (4th shift for the 4 and 2 officers, 5th shift for the 5 and 2 officers). No more than three (3) officers can put in for the same weekend. Said weekends shall be noted in writing to the Sergeant appointed by the Chief, and all reserved weekends must be reserved at least thirty (30) days in advance. Reserved weekends can be reserved by email as it will have an accurate date and time of the request. Once an officer has reserved a weekend, it is final; he/she cannot cancel said reserved weekend and regain that pick.

f. Under this section it is the intent to exhaust all other means of filling overtime before resorting to either the order-in-list or modified order-in-list.

Section 4: The Chief of Police or designee may request a doctor's certificate for all periods of absence on account of sick or injury leave from officers who appear to use excessive sick leave, or have been absent on account of illness for three days or more or a non-job related injury. Absence without pay may be charged by the Chief of Police or designee when such certificate is not presented.

Section 5: Line of Duty Disability/Sick Leave.

Section 6: Photographs of the scene of the injury shall be taken if the OIC or Chief determines it necessary.

Section 7: Sick Leave Bank.

A. The Bank.

There shall be a Sick Leave Bank for the purpose of making sick leave available to employees with long-term illness and injury who need and merit additional sick leave. The Chief of Police and two representatives of the Union, one (1) from Local 55 and one (1) from Local 56, will constitute the administrators of the plan. The administrators will act by a majority vote and the Chief of Police will keep written records of their actions.

The Chief and Union administrators will meet as needed to review records. The Town's Treasury / Payroll Office is the official keeper of accrued time records. We have to clear up the discrepancy first. When it is determined that the sick bank accumulation is less than the 1680 hours required, each officer will contribute equally up to 24 hours per year until the total is again above 1680 hours. In addition, all new officers will contribute sixteen hours after their first full year of service.

B. Grants of Sick Leave.

The administrators may grant sick leave to employees who request it in writing. The administrators shall be guided generally by principles of need and fairness which include the following guidelines:

1. Grants may be made only to employees who have exhausted their own current and accumulated sick leave.
2. An employee may be limited to a grant of sick leave equal to fifteen (15) times his number of years of service.
3. In cases where a grant of sick leave is inappropriate or insufficient, the administrators may lend sick time to the employee. As an employee accrues new sick leave, it will be credited to the bank to repay the loan. The loan will not exceed the amount in the bank. Any unpaid balance of the loan will be deducted from the bank.
4. An employee, to be eligible for said sick leave grant, shall have fifty percent (50%) or more of his/her total sick leave entitlement accumulated at the onset of the current long-term illness or injury. This provision shall not apply if the employee demonstrates to the plan administrator that his/her accumulated sick leave was below the above-mentioned level due to any periods of illness or injury that extended beyond single day use of said sick leave.

Medical records or doctors certificates shall constitute proof of extended illness or injury.

Section 8: Injury Leave.

1. Any employee incapacitated for duty because of injury sustained in the performance of his/her duty shall receive compensation in accordance with Massachusetts General Law, Chapter 41, Section 111F, and subject to the conditions posted therein, and shall not be considered sick and shall not lose sick leave.

Subject to the conditions set forth in this article, the Chief may require an employee who has been injured On Duty Status (IOD) for more than four (4) weeks and who is not hospitalized, to perform light duty provided: that employee is not taking medication which would impair his performance; that the Town is not contesting the employee's IOD; and that the Chief has determined that there is suitable bargaining work available for which the employee is qualified. The employee may waive the four (4) week period and begin light duty earlier than otherwise required. An employee on sick leave status may elect to perform light duty work provided: that the employee is not taking medication which would impair his performance and the Chief has determined that there is suitable bargaining work available for which the employee is qualified.

2. The employee will maintain their pay (stipends, night differentials, etc.) for the entire time on light duty.
3. The officer will continue to receive benefits of Section 111F for the remainder of the hours not worked, if unable to work a full 40 hour week.

Section 9: Any officer is authorized to use accrued sick time to care for a family member who has an illness or injury (persons named in Article 13: Death in the Family: will be the same qualified family members for purposes this Article) this is to include the birth of a child. Any request for verification for absences of five (5) days or more must be consistent with the Family Medical Leave Act.

ARTICLE 13 - DEATH IN THE FAMILY

Section 1: Employees shall be paid for regular scheduled time lost due to a death of an employee's father, mother, child, wife, husband, brother, sister, grandmother, grandfather, father-in-law, mother-in-law, granddaughter, grandson, brother-in-law and sister-in-law occurring between the date of death and the date of the funeral. For special circumstances owing to transportation requirements, the department head may extend beyond the date of the funeral.

ARTICLE 14 - MILITARY LEAVE
